# HOW CAN YOU ENSURE THAT YOUR COUNTRY MAKES THE MOST OF THE EU'S RECOVERY & RESILIENCE FACILITY?

→ TALK TO YOUR GOVERNMENT

→ MAKE CONCRETE PROPOSALS

## EXAMPLES OF PROJECTS THAT CAN BENEFIT FROM RECOVERY & RESILIENCE GRANTS, LOANS AND GUARANTEES

- T&D grid infrastructure
- Increased staffing of permitting authorities
- Renewable hydrogen infrastructure
- EV charging infrastructure, storage, batteries
- Scaling up floating offshore wind
- R&D in wind energy, including recycling
- Ports and road infrastructure
- Renewable energy manufacturing capacity
- Spatial planning, feasibility studies when necessary
- Loan & guarantee facilities to support:
  - local banks' lending
  - national export credit agencies
  - counterparty risk to those signing PPAs
